5 STAND SPORTING CLAYS FLY FISHING

Daily ~ Weekdays ~ Weekends
5 person minimum

At Wild Winds Ranch we have a 5 Stand: This quick reflex game includes clay targets thrown from the Ranch's automated 5 stand shooting facility. A combination of single and double target presentations are thrown to challenge the shooter. We have several other competitive shooting games that are easy to learn and challenging to play. It's a great way to improve your skills and challenge your group of friends into some healthy competition.

After a wonderful lunch and cool refreshing beverages you can spend the afternoon fly fishing on one or all of our 5 reservoirs that are teeming with trout that range from 12" to a whopping 30" whether you're just starting out or are an expert caster. Our fly fishing adventures feature catch and release fishing on private water.
